## Personal Statement

My name is Ajiserere Odufisan. I am a passionate and detail-oriented Computer Science student at Bells University of Technology, Nigeria's first private university of technology. With a strong foundation in software development and a creative flair, I aim to leverage my skills in real-world applications through internships and collaborative projects. My goal is to contribute to innovative solutions that address contemporary challenges, while continuously learning and growing in the tech industry.

## Education

Bells University of Technology, Ota, Ogun

State, Nigeria Bachelor of Science in

Computer Science

Expected Graduation: September, 2028

Relevant Coursework: Data Structures, Algorithms, Software Engineering, Logic & Set Theory , Web Development, Figma and Canva designs, Node js, UI/UX development, C , C++ and Python, Pentesting.

## Technical Skills
